• If you are currently certified and are downgrading to a Membership Level that does not include your Maintenance of Certification, you will receive the following notification warning. You may choose to select a Membership level that includes your MOC.

You have selected to switch to a Community membership. Please note that this membership type does not include the Maintenance of Certification (MOC) program. If you elect to proceed with renewing your membership at the Community level, this will create a lapse in your MOC agreement and you will need to sit for the certification exam to recertify.
